Perth Star is a new local singing show which is set to hold auditions on the 29th of November 2009 at Subiaco Arts Centre from 10am until 5pm for talented singers interested in being a part of this fantastic production. The completed show will air on West Television LTD (WTV) the new community television station early next year.

Perth Star is in the form of a singing competition where there will be an audition process, a top 30 group challenge, top 20 duet challenge and top 10 process with a challenge not seen before on any singing show on free to air television.

The shows will be held at Subiaco Arts Centre on Friday nights starting on the 5th of February 2009 for the top 10 process where an enthusiastic audience is needed to cheer on the contestants. The audience will have their chance to be interviewed throughout each show about the contestants because their opinion is what matters.

"We are seeking talented Perth singers wanting to audition for this show on the 29th of November at Subiaco Arts Centre" said Jasmine Leivers, producer of Perth Star.
